VVCC accepts payment from private insurers, Medicare and Medicaid. Most veterans also qualify for the VA per diem facility credit.

Our residents and families say it all . . .

The second you walk through the doors, you can tell you are in a one-of-a-kind place.

—Annette, Reston, Virginia

It's definitely not the stereotypical nursing home. It is bright, open and airy with large rooms and many activities for the residents and their families.

—Vicki, Troutville, VA

We take great comfort in knowing Dad is receiving excellent care in a nurturing facility.

—Louise, Bethesda, MD

As difficult as it was to decide to have my husband cared for, it was the best decision. The caring personnel gave professional attention to my husband. This made it possible for me to leave him knowing he would be well looked after.

—Muriel, Roanoke, VA

I am deeply grateful for the stability and peace VVCC provides not only to my father but also to me and the family.

—Wendy, Alexandria, VA

From the start, the dedicated staff has given dad the excellent care we know he deserves. Two years later we are still amazed that such a place exists.

—Donna, Salem, VA
