Dear Transitioning Service Member or Veteran:

You are cordially invited to participate in the Spring 2015 Northern Virginia Veteran Employment Summit Recruiting Day sponsored by Virginia Values Veterans V3 Program. The event will be held on April 14, 2015 at the Hyatt Regency Crystal City, Arlington, Virginia. The co-sponsors for this important event – Monster, Military.com, and the Northern Virginia Technology Council Veteran Employment Initiative – will bring together Virginia technology companies, along with many others, to meet with veterans.

Why is this event different? This is not a traditional job fair. Unlike a traditional job fair during which candidates circulate to employer tables, this event puts employers in the “hot seat” as the employers circulate from table-to-table at timed intervals, “speed-dating” style, to meet with potential employees. Employers will pre-screen resumes prior to the event, and event coordinators will work with employers to match job postings with candidates and candidates with employers.

A maximum of 75 veterans will be able to participate in this event, and must meet the following requirements:

- A veteran of the armed forces
- A serving member of the national guard or reserve
- A military spouse
- An active duty service member with less than 3 months remaining until EAS/ETS.

How to participate: Email veterans@nvtc.org or click [here](#) TODAY to register for this FREE event.
