

VIRGINIA'S VETERANS CEMETERIES

For 400 years, Virginia's sons and daughters have fought for America's freedom. They served on the battlefields in Europe, the South Pacific, Korea, Vietnam, Iraq, Afghanistan and many other locations around the world. Today, we enjoy our way of life thanks to each Virginian who took up arms and defended our nation and our liberty.

Virginia's veterans cemeteries provide a final resting place for our soldiers, sailors, airmen, and Marines—a place of honor, dignity, respect, and remembrance. The Virginia Veterans Cemetery is located in Amelia, the Albert G. Horton, Jr. Memorial Veterans Cemetery in Suffolk, and the Southwest Virginia Veterans Cemetery in Dublin. All cemeteries accommodate in-ground burial of casketed remains, in-ground inurnment of cremated remains, and above-ground inurnment of cremated remains in a columbarium.
