

# Version P053 of VA-ONCE

Installation Date

12/2/17

**Version P053 of VA-ONCE expands the capabilities of Apprenticeship (APP) and On-the-Job-Training (OJT) training facilities. In addition to submitting Enrollment Certifications (VA Form 22-1999), these facilities will now be able to submit the Monthly Certification of On-The-Job and Apprenticeship Training (VA Form 22-6553d).**

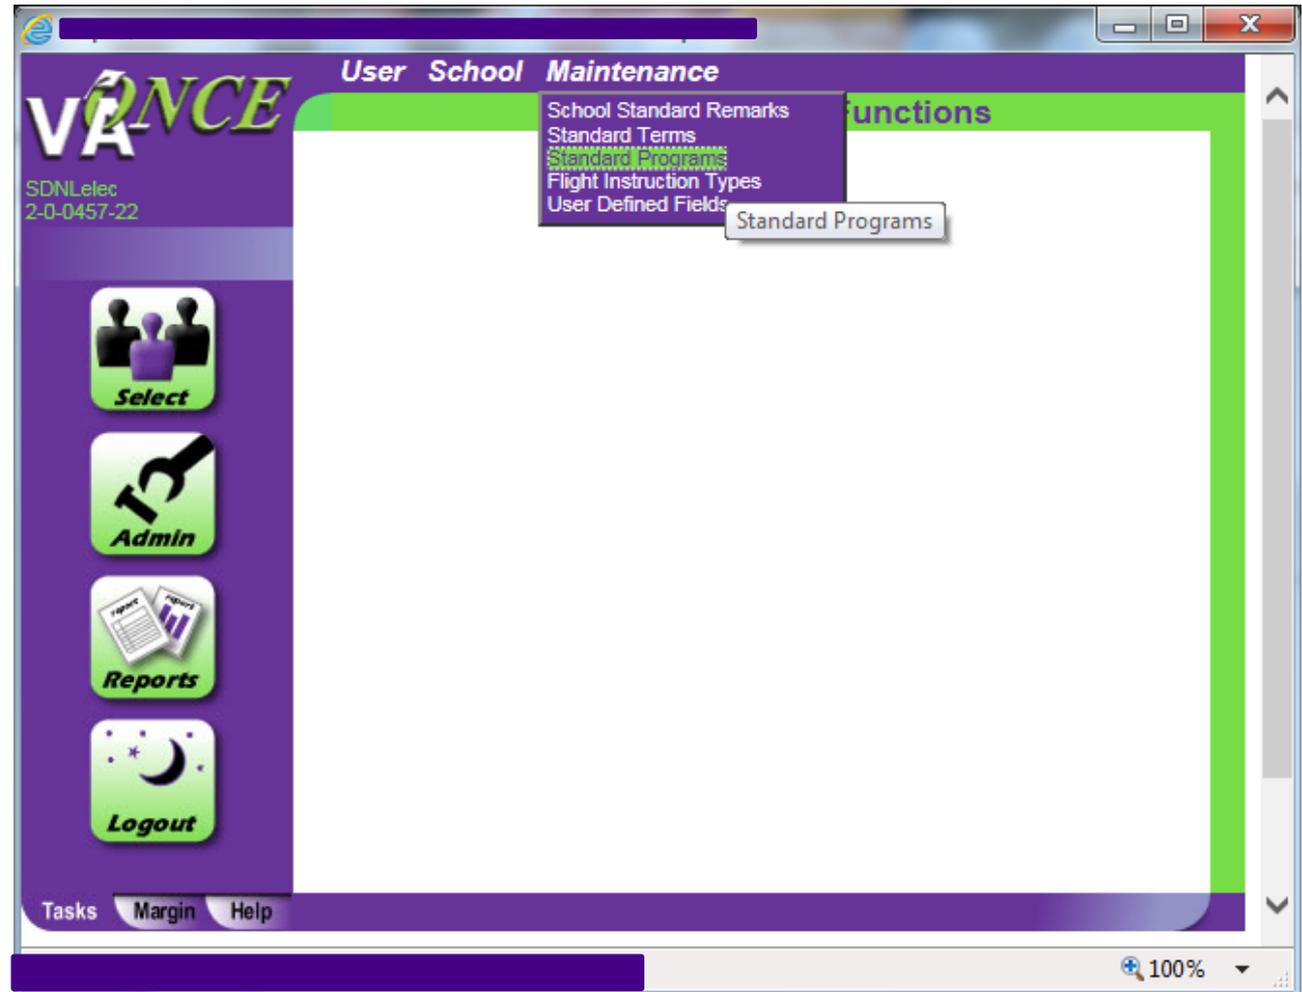

Note: The Monthly Certification (22-6553d) must be associated with an Enrollment Certification (22-1999) submitted AFTER this installation. This means that facilities that previously submitted an Enrollment Certification will need to submit a *new* Enrollment Certification for the same period in order to submit Monthly Certifications.

This Guide supersedes the previous Guide for OJT/APP Enrollment Certifications (VA-ONCE P048 Guide dated 10-16-16). Some information remains the same, but this version has been updated to show the screen functionality post-install of P053.

# Completing and Submitting an Enrollment Certification

The SCO should add the student and complete the Bio page. On the Bio page, the Training Type will be APP\_OJT.

The screenshot shows the VA ONCE Bio Data form in Internet Explorer. The browser title is "- Internet Explorer". The page has a purple header with the VA ONCE logo on the left and navigation links "Save", "Cancel", "Print", and "Student" on the right. A green banner at the top right contains the text "Bio Data" and a small icon of a person with the number "2".

Summary information displayed in the green banner:

The main form area has a purple header with tabs: "Bio", "Certs", "VA Data", "Log", and "History". The "Bio" tab is selected. On the left side of the form, there is a vertical menu with four icons: "Select" (three people), "Admin" (wrench and screwdriver), "Reports" (document with bar chart), and "Logout" (moon and stars).

At the bottom of the form, there are buttons for "Tasks", "Margin", and "Help". The browser status bar at the bottom right shows "100%" zoom.

To start a certification, click Cert at the top of the page and select "New Enrollment". The "Edit Enrollment (1999)" area at the bottom of the screen will become enabled.

All fields should be completed as on the paper form. The Program Name field is optional and is not sent to VA. The SCO should select whether the Type of Training is Apprenticeship or On-The-Job Training. Once completed, Click "Submit" at the top of the page.

The screenshot displays the VA-NCE web application interface. At the top, there is a navigation bar with 'Cert Complete Submit' and 'Print Student'. Below this, a menu includes 'New Enrollment', 'New Monthly Verification', 'Replace', 'Amend', 'Delete', and 'Change to Status 2'. The main content area is titled 'Certs' and shows 'Program: ASTRO', 'Chapter: 33', and 'Training Type: APP/OJT'. A table below lists enrollment records with columns for Course Name, Status, Facility Code, Begin Date Range, End Date Range, Program Name, Info, Begin Date, Mo, Yr, Hrs, End Date, Trainee Hrs, Standard Hrs, Facility Code, and Cert ID. The 'Edit Enrollment (1999)' form is active, showing fields for Program Name, Begin Date (10/01/2017), End Date (10/02/2019), Type of Training (On-The-Job Training), Trainee Hours (40), and Hrs in Standard Work Week (40). A Remarks field is also present. The interface includes a sidebar with 'Select', 'Admin', 'Reports', and 'Logout' buttons, and a footer with 'Tasks', 'Margin', and 'Help' options.

The image in TIMS will look very much like an Enrollment Certification for an IHL or NCD, but will contain fields that are specific to the training type OJT/APP (those found on the back of the 22-1999).

# Correcting a Mistake on a Monthly Verification

If you submit a Monthly Verification which is incorrect, for example, there was a typo in the number of hours worked for the month, you can replace that Monthly Verification.

The screenshot displays the VA-ONCE APP/OJT CERTS web application. The main menu includes 'Cert Complete Submit', 'Print', and 'Student'. The 'Certs' section shows 'Program: ELEC101', 'Chapter: 33', and 'Training Type: APP/OJT'. A table lists certificates with columns for Program Name, Info, Begin Date, Mo, Yr, Hrs, End Date, Trainee Hrs, Standard Hrs, Facility Code, and Cert ID. The 'View Monthly Verification (6553c)' form is open, showing 'September' for the Cert Month, '2017' for the Cert Year, and '40' for Hrs Worked. The form includes checkboxes for 'Trainee Enrolled in and Pursuing Approved Program for Month Show' and 'Rate in Accordance with Training Agreement', along with fields for 'Date Terminated', 'Reason for Termination', 'Rate', and 'Effective Date'. A 'Remarks' field is also present.

Highlight the Monthly Verification that contains the mistake. From the Cert menu, select "Replace".

The Edit Replacement (6553d) section at the bottom of the page will be enabled. You may make corrections to the submitted Monthly Verification here.

The screenshot shows the VA-ONCE APP/OJT CERTS web application. The main content area displays a table of monthly verifications. The table has columns for Program Name, Info, Begin Date, Mo, Yr, Hrs, End Date, Trainee Hrs, Standard Hrs, Facility Code, and Cert ID. The most recent verification is highlighted in green. Below the table is an 'Edit Monthly Verification (6553d)' form with fields for Cert Month, Cert Year, Hrs Worked, and checkboxes for 'Trainee Enrolled in and Pursuing Approved Program for Month Shown' and 'Rate in Accordance with Training Agreement'. There are also fields for Date Terminated, Reason for Termination, Rate, and Effective Date. The interface includes a navigation menu on the left with icons for Select, Admin, Reports, and Logout. The top navigation bar includes 'Cert Complete Submit', 'Print', and 'Student' options.

## Change to Mini Tabs & Displays

With the addition of Apprenticeship and On the Job Training, a new mini tab has been added at the bottom right corner of the Cert Tab. It is labeled "APP-OJT".

If a person has pursued multiple types of training, there will be multiple mini tabs.

Prior to this installation, there were only 2 mini tabs – "Flight" and "Non-Flight". APP and OJT were displayed on the Non-Flight tab along with Institutions of Higher Learning (IHL) and Non College Degree (NCD) programs. Since there is now a tab to designate APP-OJT, the Non-Flight mini tab has been changed to "IHL-NCD" to more accurately describe the type of training displayed.

*Sample of how OJT-APP was displayed on the same Cert screen as IHL training pre-install:*

	Term Name	Info	Begin Date	End Date	Trainee Hrs	Week Hrs	LDA/Eff Date	Facility Code	Cert ID

▶ 5E	FLA SU-3		06/04/2017	08/24/2017				119A7110	36992469

If the claimant has been in only one type of training, no mini tabs are displayed.

# OJT/APP Facilities that Submitted Enrollments Prior to Install

Facilities that submitted Enrollments prior to this install will have to re-submit the Enrollment Certification in order to complete Monthly Verifications.

The previously submitted Enrollment will be shown on the IHL-NCD mini Tab. The APP-OJT will be blank. The mini tab you are taken to is dependent upon the type of training on the Bio page.

Resubmitting in order to create Monthly Verifications								

Enter a remark that this Enrollment is being re-submitted in order to create Monthly Verifications.

You do **NOT** need to re-submit all Monthly Verifications. You may start submitting the month after the last paper submission.

Example – The period 5-15-17 to 5-14-18 was submitted prior to the installation of P053. The school re-submitted the Enrollment after the installation of P053.

If the hours for October have already been submitted, the next Monthly Verification should be for the month of November.

The default will be to the first month of the Enrollment, May, but can be changed to November. All Monthly Verifications from that point on can be done through VA-ONCE.

## **Students added to an OJT/APP facility prior to the install, but not certified.**

No action is necessary for facilities that added students prior to the install, but have not submitted certifications. They will be taken directly to the APP-OJT mini tab, if the type of training on the Bio page is OJT/APP, to enter the Enrollment Certification.

### **Additional Information for OJT/APP**

Amendments correct information on the Enrollment Certification. For example, if there was a typo in the begin date. Replacements should be done for Monthly Verifications that were submitted incorrectly.

As with the paper 22-6553d, terminations should be submitted on the Monthly Certification during which the termination occurred.

All OJT/APP Enrollments will go through ECAP. The status code once submitted will be 4, and the code returned will be 5M, even for chapter 33. The status code chart has been updated accordingly.
