**Call to Order**  
Without a quorum present, Chairman Jim Icenhour, welcomed the BVS members and informed the board that two members were en route, but without a quorum they would take up the agenda items out of order and deal with housekeeping items and the Care Centers presentation first.

Chairman Icenhour called the meeting to order at 10:08 a.m. and led the board in the Pledge of Allegiance. He then asked the members to go around and introduce themselves to new member Ms. Thurraya Kent. Then the DVS staff introduced themselves to the board. There were no other guests or members of the public in attendance.

Mr. Dan Kemano, Director of Virginia Veterans Cemeteries greeted the board, welcoming everyone to Amelia cemetery and went through the packet of information about the cemeteries that had been distributed to each member. He encouraged everyone to show veterans the envelope in the folder which has all the important information about applying to the cemetery and he can get them more envelopes for distribution upon request. He said he was looking forward to giving tours at the conclusion of the meeting.

**Housekeeping Items**  
Chairman Icenhour thanked Mr. Kemano for hosting the board and for the information. He directed everyone’s attention to the list of potential meeting dates for 2020 and said they will be approved at the November meeting. He pointed out the JLC day at the General Assembly on the
list and asked Ms. Carrie Ann Alford to add a few words. She said that it was a good day to come and meet with legislators, as they consider it “veterans day” but any BVS members who want to attend, need to let her know as they will be advocating for the agency’s priorities that day and meeting with pre-selected legislators. They will not be advocating for the JLC priorities. Mr. John Lesinski stated that he attended last year and it was a great day and very productive and in the afternoon was able to go with the JLC members to meet with the Speaker and Lt. Governor and have a great discussion on issues.

Ms. Alford also pointed out the new membership matrix in everyone’s packet and asked that they let her know of any updated phone numbers or other information. She also pointed out that everyone had a hard copy of the FY19 agency stats sheet that was sent out via email earlier in the week.

PRESENTATION
Chairman Icenhour asked Acting Commissioner Combs and the Veterans Care Center directors to proceed with their presentation.

Acting Commissioner Combs started with a history and an overview of Veterans Care Centers and how they are in-patient, residential care facilities designed specifically for veterans, that offers a mixture of skilled nursing, assisted living, Alzheimer’s/memory, and short-term rehabilitation in a home-like environment. Both Care Centers in Virginia are industry leaders in quality of care. He also reviewed the FY18 statistics for both Virginia Veterans Care Center (VVCC) and Sitter & Barfoot Veterans Care Center (SBVCC) and the veteran retiree population in Virginia.

Next, Ms. Robyn Jennings, Administrator of the Sitter & Barfoot Veterans Care Center (SBVCC) gave an overview of her facility, along with Mr. Jim Darragh, Deputy Administrator, and an update on revenue, costs and the five year plan.

Mr. Lesinski asked about funding and the Veteran Services Fund assistance since the General Assembly does not support with appropriations. Mr. Combs stated that VSF covers a small amount of operating costs but revenue sources have to balance costs and reserves for capital costs. The VA needs a project to be about $1M before they will consider it for grants, so items like the whole facility generator qualify. Ms. Alford added that other states have large obligations for their care centers and envy Virginia’s system – they would like to move to a revenue neutral model but can’t do it for political reasons. The fact that the General Assembly does not support the care centers is not necessarily a bad thing.

Mr. Carl Bedell asked if they can bring in federal energy assistance programs to improve energy efficiencies and almost no cost and would lead to additional grants. Jim Darragh said that SBVCC is working with the Virginia Department of General Services (DGS) on energy efficiencies and that may lead to some federal grants. Heather Legere added that VVCC already receives some rebates for energy efficiencies.

Mr. Combs added that the two care centers do compete against other facilities and have marketing teams to do outreach to veterans.
Ms. Kent asked about contracting for the wander management initiatives, specifically, given that current wander management technology integrates with established telephone/IT lines. She wanted to know if the VCCs would be able to leverage commercial off-the-shelf cost savings due to technological advances. Mr. Combs responded that as a state facility, the VCCs use the state-approved IT infrastructure and are unable to contract for anything different.

Mr. Mike Dick asked what “private pay” includes. Ms. Jennings stated that private pay is resident’s own money and can also be long-term insurance or private insurance or multiple sources of payment.

Mr. Combs added that the care centers use a triangle of admissions – do you have a need for the care we provide? Do we have the care you need? And the financial considerations – and the finance staff will sit down with every eligible veteran to figure out payer sources.

Mr. Lesinski asked if they get “whipsawed” by multiple payer sources and not getting reimbursed in a timely manner? Ms. Jennings said it can fluctuate, but once a resident is on Medicaid it is fairly steady.

Next, Mr. Todd Barnes, Administrator of the Virginia Veterans Care Center (VVCC) gave an overview of his facility, along with Ms. Heather Legere, Deputy Administrator, and an update on revenue, costs and the five year plan.

Mr. Barnes highlighted the issue of the new VA regulations that domiciliary residents must work part-time and get paid (not volunteer work), in order for the facility to get reimbursed by the VA. Work is a vague term that the VA has not really defined and could be chores like keeping one’s room clean, but it must be in the care plan and the resident must be paid. The residency rates have been going down in the domiciliary wing for years and DVS is looking at converting those semi-private rooms to private rooms for short-term rehabilitation residents. There are currently 30 open rooms that could be converted into 15 private rooms.

Mr. Combs added that the National Association of State Veterans Homes (NASVH) and National Association of State Departments of Veterans Affairs (NASDVA) are working to change the regulations regarding work requirements.

Chairman Icenhour asked what the process is to change the domiciliary rooms to private rooms for short-term rehabilitation residents? Mr. Barnes said the process has already started with DVS working with the Virginia Department of Health and he believes VVCC can transform the rooms quickly once the plan is approved.

Mr. Paige Cherry asked about gender and racial stats of the residents [branch of service and era of service were in the presentation]. Mr. Barnes said yes, the facility is very diverse on race. They currently only have about seven women residents but expect that to go up with time. Ms. Jennings added that there are 10 women residents at SBVCC and it is also racially diverse.

Mr. Combs then gave an update on the two new care centers – Puller VCC and Jones and Cabacooy VCC. He said that DVS is waiting on the VA to release the funds so the money is
available to start building. DVS anticipates that will happen soon with an anticipated open date of summer or early fall 2021. The administrators will be hired 8-12 months prior to opening and then the Director of Nursing, HR Director, IT, marketing and admissions staff and others – so that there will be about 60 staff on board before the first resident is admitted. The buildings will be filled in “waves” with staffing commensurate with Household 1 filling up, then the second and so on. DVS anticipates it will take 18-20 months to reach full occupancy. DVS anticipates full revenue stream for a revenue positive point to be approximately 2-3 months after full occupancy. This will mean that the General Assembly provide support to the new care centers until they break even.

Chairman Icenhour asked if this is funding that will be needed for the next biennium? Mr. Combs said yes – based on a summer 2021 open, which is Fiscal Year 2022, hiring will start in Fiscal Year 2021, which is the next biennium budget. There is a letter in the packet for the board to review later in the meeting.

Mr. Lesinski asked when will DVS start taking applications for the new care centers? Mr. Combs said that will be roughly January 2021, but the agency is already keeping a list of people who have requested applications or more information or expressed interest in living in the new care centers. They will be sent applications and information to apply as soon as the process opens. Mr. Combs thanked the Chairman and the board for the opportunity to give a presentation. A copy of the powerpoint presentation was distributed to the members after the meeting and is available upon request.

At 11:05, with the two additional members now present, Chairman Icenhour asked Ms. Carrie Ann Alford to call the roll. The roll was called and a quorum was determined with 12 members present, and with two members at remote locations, there were 14 members in attendance. One additional member arrived after the roll was called, for a total of 15 members present.

**Approval of Agenda and May 2, 2019 Meeting Minutes**
Mr. Jim Icenhour asked for a motion to approve the agenda (*Attachment 1*) and May 2, 2019 meeting minutes. John Lesinski made a motion, seconded by Mr. Michael Dick, to approve the agenda and minutes. The motion carried unanimously.

**Reports**
In the absence of Frank Wickersham, III the **Joint Leadership Council of Veterans Service Organizations (JLC)** Chairman, David Sitler, JLC Legislative Chair, gave a short report on the JLC, their July 24 meeting and progress with their policy priorities for 2020. Mr. Sitler stated that the next JLC meeting is October 16 at the American Legion, in Richmond. (*Attachment 2*)

In the absence of Frank Finelli, the **Veterans Services Foundation (VSF)** Chairman, Mr. John Lesinski, who also serves on the VSF, gave a short report on the VSF and their most recent meeting, and stated that Mr. Finelli was absent due to an event that morning with the Governor in Richmond to receive a donation from Smithfield Foods for $150,000 to aid veteran homelessness programs. (*Attachment 3*)

**Department of Veterans Services (DVS)** Acting Commissioner Steve Combs thanked everyone
for their support of DVS and its programs and services and for working closely with him and DVS to support Virginia veterans. He gave a brief update on John Newby who has moved on to VirginiaBio. He explained that as of June 10, DVS had reorganized its’ operations, and that now there are two Deputy Commissioners – Tom Herthel and Annie Walker. He discussed the opening of the new Benefits offices in Oceana and Fort Belvoir, noting that the Oceana office is open and the Fort Belvoir office will hopefully be open by September. He also updated the BVS members on the progress of the construction project at the Virginia War Memorial, and while it will not be ready for a grand opening on Patriot’s Day, there will still be the upcoming Patriot Day Ceremony on September 11 at the Memorial and they are all invited to attend. Due to time constraints, he ended by noting the passing of Mr. Kenneth Wright, World War II Veteran and philanthropist, whose foundation pledged $5M to the Virginia War Memorial Foundation to support both the current construction project and the Virginia War Memorial’s education programs and exhibits. (Attachment 4).

New Business

Updated POC List

Ms. Alford stated there was a new list in the packet with updated assignments to better reflect the new organizational structure at DVS and based on comments from the directors. She pointed out that most members will see their name twice on the matrix, except for a few who have a big responsibility, and she reminded them that the POC system was created to build stronger relationships between the board members and DVS service line directors and they will be shifted around throughout their service on the board. If anyone has an objection to their assignment they can email Ms. Alford and petition for a new assignment, but all members should expect to work with all service line directors at some point if they serve for two full terms and to please take on the challenge of the current assignment and dig in to learning about the service line assigned. The only exception is the legislative members who do not rotate and work with Ms. Alford. She also stated that due to Mr. Dick becoming chairman a new alternate to the JLC needs to be appointed. If no one volunteers, someone will be assigned by the new Chair. (Attachment 5).

Draft 2020 Bylaws

Chairman Icenhour asked everyone to review the draft 2020 bylaws updated with the Code changes that will go into effect on January 1. Ms. Alford added that there has been another encouragement from the FOIA council to add into the bylaws under attendance specifying which one of the three meetings each year is to be a non-electronic meeting with no one calling in. That and other recommended edits to the bylaws should be sent to the new Chair and copy her, by October 1 (Attachment 6).

Proposed Letter to Governor Northam from the BVS

Chairman Icenhour asked everyone to review the draft letter to Governor Northam from the BVS regarding fully funding the veterans care centers in the introduced budget. (Attachment 7). Chairman Icenhour made a motion, seconded by Mr. Victor Angry, to approve the draft letter and send to the Governor. The motion carried unanimously.

Reports from the Working Groups

Mr. Michael Dick gave an update from the Education Working Group, highlighting from their submitted report in the packet that the questionnaires for the school administrations and students
have been finalized. The group anticipates gearing up soon and reporting back in November on actions taken. Mr. Dick is working with the schools to set up on-campus visits with the tentative timeframe listed in the report. The questions for the schools and the students were also included in the report. (Attachment 8).

Mr. Carl Bedell gave an update from the Benefits Working Group and the result of interviews with staff is the issue of staff salaries has risen to top level risk for the continued success of DVS. The working group has submitted FOIA requests for state employee data and will analyze the data to determine the severity of any salary disparity. Ms. Alford apologized for not receiving the report and including it in the packet and the report was distributed to the board members after the meeting. (Attachment 9).

In the absence of chair Ms. Julie Waters, Vic Angry gave the report of the Veterans in the Arts Working Group. He reported that Ms. Waters and Ms. Alford met with DGS and discussed several opportunities for partnership – with DGS discussing an RFP for agencies to buy new artwork for their buildings from Virginia veteran artists, and offered space during a food truck Wednesday or farmers’ market Friday to BVS to highlight veteran artists and have them sell their artwork.

Ms. Alford added that she had just received an email from Ms. Jennifer Boyd, Policy Analyst at DGS with a further update. She read the email to the board:

“Good morning! I wanted to follow up with you regarding our meeting about Veteran's Art on August 12th. I spoke with Killeen King the On the Square coordinator and copied on this email, about what Department of Veterans Services would like to do to promote Veteran Artists. There are a couple of options for you. The first option would be as we discussed in the meeting to set up a tent and display their work at the Food Trucks (Wednesday) and/or Farmer's Market (Friday). They would be allowed to display their art and hand out their cards to anyone interested in purchasing their work. The second option would be to have an On the Square event exclusive to the Veteran's Art projects and choose a day where they could set up on the gravel lot and the On the Square Team would promote the event. I am connecting you with Killeen and you can work with her on the coordination and logistics...”

Ms. Alford asked for assistance in finding veterans who are artists and would want to participate and also attend the events and staff the tent. (Attachment 10).

**Election of Chair and Vice Chair**
Chairman Jim Icenhour read the bylaws rules regarding election and stated that the candidate for Chairman is Michael Dick. Chairman Icenhour asked for a voice vote for Chair. Michael Dick was elected unanimously.

Chairman Icenhour stated that there were two candidates for vice chair, Mr. Carl Bess and Ms. Tammi Lambert. Nominees had been announced to the board via email ahead of the meeting in accordance with the bylaws. Mr. Bess was unable to attend the meeting due to a new job and had asked Mr. Icenhour to read a statement sent via email. Mr. Icenhour read the short statement and then Ms. Lambert gave a short statement as to why she wished to be vice chair. Ms. Lambert
stepped out of the room and the chair called for a show of hands for each candidate.

Mr. Carl Bess received 2 votes and Ms. Tammi Lambert received 11 votes. Acting Commissioner Combs abstained from voting. Delegate Murphy had left the meeting early due to another meeting and did not vote.

Ms. Alford asked Ms. Lambert to return to the room and a round of applause was given by the members. (Attachment 11).

**“Good of the Order” Reports**
Mr. Paige Cherry asked about where he could give vouchers for homeless veterans. Ms. Alford told him to speak with DC Herthel after the meeting as he oversees VVFS and will put him in touch with Mr. Matt Leslie who oversees the homelessness program for DVS.

Mr. Lesinski stated that his Board of Supervisors (Rappahannock County) received a letter from the War Memorial Foundation asking for a $1 donation for every person from the county on the Shrine of Memory and he said while they hadn’t acted on it yet he thought that was a great idea. Mr. Frank Rennie, Chairman of the War Memorial Foundation Board said that they had sent letters like that to every locality with names on the Shrine asking for a $1 donation for every person from that locality listed and they had a 100% success rate with localities agreeing to make the donations.

There were no further Good of the Order reports from board members.

**Public Comment**
There were no individuals seeking to make public comment.

**Closing Remarks**
Mr. Icenhour reminded the members that the next meeting will be held November 14 at the Virginia War Memorial and there would be a tour of the new expansion for the members. He handed the gavel over to Chairman Dick.

**Adjournment**
There being no further business before the Board, the meeting adjourned at 12:35 p.m. Mr. Kemano divided up the board members who could stay into two groups of six for tours of the cemetery grounds.

JOINT LEADERSHIP COUNCIL
REPORT TO THE BOARD OF VETERANS SERVICES
August 22, 2019

The Joint Leadership Council of Veterans Service Organizations (JLC) met on July 24, at the American Legion in Richmond.

We received updates on the DVS education service line, which includes the GI Bill, Training and Education Alliance and the Virginia Military Survivors and Dependents Education Program (VMSDEP). We also received an informative update from Dr. Clay Mountcastle, Director of the Virginia War Memorial on all the educational programs and events they have been working on.

We discussed 2 letters to send to Governor Northam on issues of importance to the JLC, as well as 10 potential initiatives for 2020. All 10 were moved forward and the sponsors will continue to research, edit and polish leading up to our October meeting where the final list of initiatives is voted on and ranked.

At the meeting, I was voted in for a second term as Chairman and Mr. Bill Ashton of the Fleet Reserve Association was voted in as the Vice Chairman.

The Council provides advice and assistance to the Governor, General Assembly and the Department of Veterans Services (DVS) on matters of concern to the veterans community and provides a conduit of information to and from the veterans service organizations on policy and legislation, pending and enacted, as well as information on existing services.

Our next meeting will be October 16 at 10 a.m. at the American Legion Headquarters building in Richmond.

VIRGINIA VETERANS SERVICES FOUNDATION REPORT
Board of Veterans Services
August 22, 2019

The Veterans Services Foundation (VSF) Board of Trustees has held one Board meeting since the last BVS meeting on May 2, 2019. The VSF met on June 13, 2019 at the State Capitol in Richmond, Virginia. The Development and Finance Committees also met on the same date and at the same location. The Procedures and Policies met on May 22 and August 6, 2019 in Richmond.

The Development Committee discussed the Foundation’s revenue priorities for FY20 that includes the importance of strong collaboration with DVS to increase donations. The Foundation depends on the support of DVS to assist with identifying program priorities, provide leads for organizations and potential fundraising events, and to effectively integrate social media in its outreach and fundraising efforts. It was agreed that an aggressive push was needed to identify “third party” funds similar to the following programs in which the Foundation currently participates: Dominion Energy Charity Classic Birdies for Charity, Amazon Smile, Kroger Community Rewards and Corporate Matching Gift Programs.

The Finance Committee reviewed the May (FM11) financial report. Both the VVFS Direct Veterans Services and the VVFS Homeless Veterans Fund have high average yearly expenditures which need to be considered when making decisions for the upcoming budget. As of May 31, 2019, the VVFS Homeless Fund donations totaled $185,050 with expenditures at $204,201. The spending is still within the budget for FY19. DVS has been asked to submit their anticipated high/low budget requirements for FY21-FY22 and to present those budgets for approval at the September Board of Trustees meeting.

The Procedures and Policies Committee reviewed and recommended the DVS VSF Memorandum of Understanding (MOU) and the revised Bylaws be presented for approval before the Board at the June meeting. The Board accepted their recommendation and approved the MOU and Bylaws. Efforts to update the Foundation’s policies continue.

The Foundation closed FY19 with over $635,000 in donations and expenditures at $620,000, just below the aggregate DVS budget of $796,500 for FY19. The Foundation remains committed to increasing donations to sustain the rate of expense and looks forward to working with DVS as they present their anticipated needs for our Virginia Veterans and their families for the upcoming years. A strong collaboration between the Foundation and DVS will result in identifying and assisting additional Veterans and their families, who are in need.

For major donors, the Smithfield check presentation of $150,000 benefitting the VVFS Homeless Veteran Fund will take place August 22, 2019 with Governor Northam and Secretary Hopkins participating in the ceremony. The 2019 Dominion Energy Charity Classic is scheduled for October 17-19 at the Country Club of Virginia in Richmond. A portion of those proceeds will benefit the V3 program.

The Foundation welcomed Jack Hilgers to the Board of Trustees. Elections for FY20 officers were held and the Board elected Frank Finelli as Chair, Jack Hilgers as 1st Vice Chair and Al Pianalto as 2nd Vice Chair. Four retiring Trustees were also honored for their dedicated service throughout the years. These were Meade Spotts, Jim Boyd, Rich Schollmann and Tom Mulrine.

The next Veterans Services Foundation Board of Trustees meeting is scheduled for September 19, 2019 at the America Legion Department HQ.

Respectfully Submitted,
Frank Finelli

Memorandum for: Chairman James O. Icenhour, Jr.  
Members, Board of Veterans Services

From: Steven J. Combs, Acting Commissioner

Date: August 22, 2019

Subject: Department of Veterans Services report

Agency Leadership

Commissioner John Newby’s last day with the Department of Veterans Services (DVS) was Friday, August 2. He began his new job as the Chief Executive Officer (CEO) of VirginiaBio on Monday, August 5. My thanks to everyone who came out to say goodbye to Commissioner Newby on July 26 as we thanked and honored him for all that he did for DVS and Virginia’s veterans and families. Please join me in wishing him success in his new leadership role! I know he intends to remain active in the veteran community, so you should expect to hear from him from time to time.

Governor Ralph Northam has appointed me Acting Commissioner of DVS, effective August 2. As Acting Commissioner, I will have all the duties and responsibilities as did Commissioner Newby. I will serve in this role until a new Commissioner is appointed by Governor Northam.

Secretary of Veterans and Defense Affairs Carlos Hopkins and Deputy Secretary Kathleen Jabs are leading the process to identify candidates for appointment by the Governor. Secretary Hopkins’ office has put out this announcement:

The Commonwealth of Virginia seeks an exceptional Veteran leader to serve as the Commissioner of the Virginia Department of Veterans Services (DVS). Full details regarding this position may be viewed here: http://bit.ly/2OEQfKj.

To Apply: This position will be filled as a Governor appointment serving at will for a designated term of five years. Veterans who are interested in being considered, please send a cover letter, resume and professional references to: vada@governor.virginia.gov. Questions may be directed to the office of the Secretary of Veterans and Defense Affairs at: 804-225-4317. Screening for this position will begin Monday, August 26, 2019. The position will remain open until an appointment is made and announced by Governor Northam. Benefits offered to individuals in appointed positions include the following: 30 days of paid time off each year; parental leave; health care insurance; flexible spending accounts; group life insurance; retirement benefits through the Virginia Retirement System. Compensation will be commensurate with experience.

As with Commissioner Newby and his predecessors, my door is always open.

Agency Organizational Structure

Commissioner John Newby put a new DVS organizational structure into effect on June 10, 2019. Prior to this date, almost all of the service line and staff directors reported directly to the Commissioner. During Commissioner Newby’s tenure, DVS grew significantly in the number of
services and programs offered to Virginia’s veterans and family members, but the Agency’s leadership support infrastructure had not kept pace with that growth. In announcing the changes to the DVS team, Commissioner Newby noted that “[M]any state agencies half our size have a leadership infrastructure more robust than we currently have, incorporating both multiple deputy agency heads to oversee service lines, but also, in some cases, Chief Operating Officers, Chiefs of Staff, and Chief Administration Officers.”

Working within existing DVS HQ budget space, Commissioner Newby put in place a new DVS organizational structure, effective June 10, 2019, in order to continue to provide superior service to Virginia Veterans and families.

The attached chart depicts the new DVS organizational structure that went into effect on June 10, 2019, and shows DVS leadership as of August 2, 2019.

Designed to enhance the ability of DVS to continue to deliver top-quality programs and services to Virginia’s veterans and families, the new structure has three deputy commissioners (previously there was just one) leading seven service directorates (up from six). This new structure will not only help DVS today, but will also help DVS prepare to meet the evolving needs of Veterans and their families.

The following is a summary of DVS organizational and leadership changes effective June 10:

- The Veterans Education, Transition, and Employment (VETE) directorate was divided into two service directorates, both reporting to Annie Walker, who was promoted to Deputy Commissioner. An Army veteran, Walker has been with DVS for 15 years and had previously served as Director of the combined VETE directorate. Education, Transition, and Employment services are high-demand areas for DVS, and the move will better position DVS to serve veterans and family members. Deputy Commissioner Walker will also lead DVS programs for women veterans and entrepreneurship. Two newly-promoted directors serve under her:
  - Martina Murray, an 11-year DVS employee, was promoted to Director of Education Programs. Two major programs align under Director Murray: GI Bill program certification (also known as the State Approving Agency for Veterans Education and Training – or SAA) and the Virginia Military Survivors and Dependents Education Program (VMSDEP); and
  - Charlie Palumbo was promoted to Director of Transition and Employment Programs. She has been with DVS three years and is a Navy veteran. Director Palumbo oversees VTAP, the Virginia Values Veterans (V3) program, and the Military Medics and Corpsmen (MMAC) program. Prior to joining DVS, she worked for three years with the Virginia Employment Commission (VEC).

- Thomas Herthel was selected as Deputy Commissioner with oversight of the agency’s Benefits Services division, the Virginia Veterans and Family Support (VVFS) program, and the three state veterans cemeteries. Herthel served in the Navy, the Army, and the
Air Force, and has been with DVS for five years. He previously served as Director of Benefits:

- **Donna Williams** was selected to be the Director of Benefits. An Air Force veteran, Williams joined DVS four-and-a-half years ago and was most recently Deputy Director of Benefits, having previously been the Benefits Eastern Region Director. Prior to joining DVS, she worked for four years with VEC.

- The DVS Communications Team will now align under **Lee Tinsley**, DVS CAO/CIO (Chief Administrative Officer/Chief Information Officer). Tinsley also leads DVS efforts centered around Information Technology (IT) and DR/COOP (Disaster Recovery/Continuity of Operations Planning).
  - **Brian Pickral**, DVS IT Lead Supervisor, will be picking up additional responsibilities on the IT team.

- The veterans care centers in Richmond and Roanoke, plus the Virginia War Memorial in Richmond, will align under Chief Deputy Commissioner **Steven Combs**. An Air Force veteran, he joined DVS in 2004. He is also responsible for the construction and opening of the new veterans care centers in Fauquier County and Virginia Beach, as well as leadership and oversight of broader agency operations.

**Construction Projects**
The Department of Veterans Services has four major construction projects and three smaller-scale construction/renovation projects underway, and is planning for one additional large-scale project.

1. **Albert G. Horton, Jr. Memorial Veterans Cemetery**, Suffolk
   a. Project Summary: installation of 7,000+ pre-placed outer burial containers (crypts), extending in-ground full-casketed burial capacity by approximately 8-10 years; expansion of the cemetery administrative building, adding much needed work and storage space; installation of new emergency generator; replacement of the main cemetery entrance sign; and construction of new decorative fence along Milner’s Road;
   b. Target completion date: October 2019;
   c. Comments: material and manpower shortages have delayed construction by about three months.

2. **Virginia War Memorial**, Richmond
   a. Project Summary: construction (expansion) of Shrine of Memory to honor Virginians killed in action during the wars of the 21st Century; new exhibit and education space, including Medal of Honor Gallery and distance learning center; and new underground parking garage;
   b. Target completion date: late November 2019;
   c. Comments: construction delays related to materials and manpower led to cancellation of planned September 11 grand re-opening ceremony.
3. **Jones & Cabaco Veterans Care Center, Virginia Beach**
   a. **Project Summary:** construction of new 128-bed veterans care center, which will offer long-term skilled nursing care, Alzheimer’s/memory care, and short-term rehabilitative care in an in-patient facility. All-private rooms organized into eight 16-bed “households” with shared dining/living space;
   b. **Target completion date:** Summer/Fall 2021;
   c. **Comments:** change in U.S. Department of Veterans Affairs (USDVA) design requirements allowed DVS to rework design, adding more beds, but at a delay of approximately 12 months. All design documents submitted to USDVA for final grant approval, and are under review. Awaiting release of USDVA grant funds. USDVA reviewing multiple state projects and will release funding for all projects at once. Expected release of funds earmarked in FFY18 and FFY19 USDVA budgets imminent.

4. **Puller Veterans Care Center, Vint Hill (Fauquier County)**
   a. **Project Summary:** construction of new 128-bed veterans care center, which will offer long-term skilled nursing care, Alzheimer’s/memory care, and short-term rehabilitative care in an in-patient facility. All-private rooms organized into eight 16-bed “households” with shared dining/living space;
   b. **Target completion date:** Summer/Fall 2021;
   c. **Comments:** change in U.S. Department of Veterans Affairs (USDVA) design requirements allowed DVS to rework design, adding more beds, but at a delay of approximately 12 months. All design documents submitted to USDVA for final grant approval, and are under review. Awaiting release of USDVA grant funds. USDVA reviewing multiple state projects and will release funding for all projects at once. Expected release of funds earmarked in FFY18 and FFY19 USDVA budgets imminent.

5. **Sitter & Barfoot Veterans Care Center, Richmond**
   a. **Project Summary:** replacement of emergency generator with new “whole house” generator sufficient to operate all systems in the event of commercial power failure/loss;
   b. **Target completion date:** Spring 2020;
   c. **Comments:** grant request submitted to U.S. Department of Veterans Affairs (USDVA). Awaiting conditional grant approval by USDVA, which would put us on 180-day clock for submission of final design package and set aside federal share. Submission of all project documents and USDVA approval would then trigger final grant award and release of USDVA funding. USDVA reviewing multiple state projects. Expected conditional grant approval imminent.

6. **Virginia Veterans Care Center, Roanoke**
   a. **Project Summary:** boiler system replacement;
   b. **Target completion date:** September 2019;
   c. **Comments:** part of ongoing capital improvement/replacement plans.
7. **Virginia War Memorial, Richmond**
   a. Project Summary: repairs to existing Shrine of Memory and Hargrove Plaza areas (primarily concrete repair);
   b. Target completion date: late November 2019;
   c. Comments: part of ongoing capital improvement/replacement plans. Concurrent with (but separate from) new construction project. Funded through state “maintenance reserve” pipeline.

8. **Virginia Veterans Cemetery, Amelia**
   a. Project Summary: application submitted to USDVA for $4M grant to install 4,000+ pre-placed outer burial containers (crypts), extending in-ground full-casketed burial capacity by approximately 8-10 years;
   b. Target completion date: TBD (dependent on approval of USDVA grant application);
   c. Comments: USDVA update expected Fall 2019.

**New Offices**
- Oceana: the grand opening ceremony for the DVS Oceana (Virginia Beach) office was held August 8. The office is near NAS Oceana, and is open for operations.
- Fort Belvoir: the grand opening ceremony for the DVS Fort Belvoir office was held August 15. The office is on Fort Belvoir. The U.S. Army is putting the finishing touches on the building, and the office will begin operations in the near future – we will send you an announcement.

**DVS Highlights**
- The Virginia Values Veterans (V3) Program passed the 50,000 veterans hired mark.
- DVS thanks Smithfield Foods and the Veterans Services Foundation (VSF) for the donation of $150,000 to support DVS programs and services for homeless veterans.

**Upcoming DVS Events**
- Commonwealth’s Patriot Day Ceremony: September 11, 6 p.m., Virginia War Memorial;
- 2019 Virginia Veterans and Military Affairs Conference & V3 Awards Luncheon: September 26, 9 a.m. – 2 p.m., Greater Richmond Convention Center;
- Commonwealth’s Veterans Day Ceremony: November 11, 10:45 a.m., Virginia War Memorial;
- Wreath laying ceremonies at state and national veterans cemeteries: December 14, times vary by cemetery (many ceremonies part of national Wreaths Across America program);

**And on a Sad Note**
DVS mourns the passing of Mr. C. Kenneth Wright, World War II Veteran and philanthropist. In 2018, Mr. Wright’s foundation pledged $5 million to the Virginia War Memorial Foundation to support both the current construction project and the Virginia War Memorial’s education programs and exhibits.

Mr. Steven J. Combs  
Acting Commissioner  
Virginia Department of Veterans Services  
101 N 14th St, 17th Floor  
Richmond, Virginia 23219

Dear Acting Commissioner Combs,

Virginia’s state-operated veterans care centers deliver outstanding skilled nursing care, Alzheimer’s/dementia care, and short-term rehabilitative care to Virginia veterans – care they have earned through their service and sacrifice. Ensuring that our care centers are properly staffed and resourced has always been a top priority of the Board of Veterans Services.

The Board has been briefed on the funding necessary to open and operate the Puller Veterans Care Center (Vint Hill, Fauquier County) and the Jones & Cabaco Veterans Care Center (City of Virginia Beach) – that will be completed in 2021.

We recommend that you make this funding a top priority in the Department of Veterans Services’ budget request package you will submit through the Secretary of Veterans and Defense Affairs for inclusion in Governor Ralph Northam’s introduced biennial budget for FY2021-22.

The Board stands ready to assist in any way needed.

Sincerely,

Chairman

Board of Veterans Services
Benefits Working Group – Report to the Board, August 22, 2019

Team:
- Carl Bedell, Chair
- Susan Hippen
- Jim Icenhour
- John Lesinski
- Carrie Ann Alford, DVS Support Staff

Background: The Virginia Division of Veterans Services (DVS) advocates for Virginia veterans and connects them to benefits and services they have earned. The DVS operates 31 Benefits Service Offices across the Commonwealth that provides veterans information and assistance on current federal, state and local veterans’ programs, and entitlements. Since 2015, DVS has improved its Benefits operations by opening eight new Benefits Service Offices, a Center of Excellence, and focusing on employee training and quality. Despite this growth, and the budget increase that has funded it, DVS recognizes that obstacles exist that will hinder sustained growth of DVS Benefits offerings.

Course of Work: The Working Group will study the strategy for continued growth and the obstacles that may hinder that growth. We will develop recommendations to support or strengthen the growth strategy and address any identified obstacles. We will study the current economic impact of received benefits by Virginia veterans and develop justifications for increased funding for DVS Benefits. Specifically, the Working Group will:
- Interview Benefits staff to understand issues affecting employee retention and issues affecting or limiting service offerings;
- Analyze budget/funding issues and shortfalls and develop justifications for budget or funding increases.

Current Status: The Working Group has conducted several interviews with the former Director of Benefits Tom Herthel and the new Director of Benefits Donna Williams. Through these conversations, the issue of DVS staff salaries has risen as a top level risk to the continued success of DVS service offerings. The DVS leadership has provided information that indicates DVS staff are significantly underpaid relative to their peers working in for the Commonwealth and for VSOs, non-profit organizations, and veteran law firms. This disparity appears to be especially true for attorneys and staff located in Northern Virginia. The working group has begun to collect salary data for DVS staff positions and comparative data for similar duty position and geographic locations for other state employees to validate these claims.

Next Steps: The working group has submitted FOIA requests for State employee data and will analyze the data to determine the severity of any salary disparity. The Working Group intends to have completed the analysis of the employment data and develop a draft of a white paper with our findings at the following Board meeting.

Veterans in the Arts Working Group – Report to the Board, 22 August 2019

Team:
Ms. Julie Waters, Chair
Mr. Carl Bedell
Mr. Victor Angry
Mr. Frank Reyes
Ms. Carrie Ann Alford, DVS Support Staff

Background:
This working group was convened to study the issues surrounding Veterans and the Arts. Through the assistance of Ms. Alford, the group focused research and attention on arts as an economic and small business endeavor in Virginia and how policy recommendations can support and strengthen current or potential efforts.

Subject: Report on Recommendation to DGS

On Monday, August 12, Julie Waters, Chair, and Carrie Ann Alford, DVS Policy Director met with DGS Director Joe Damico and his team. It went very well! They had several ideas above and beyond what the BVS recommended.

Director Damico discussed moving forward with a decision paper to Clark Mercer, Chief of Staff to Governor Northam, regarding the BVS recommendation about having a temporary art instillation on state property. He said he would request artwork for the Capitol Square grounds for the month of November. Also, if it goes well and we can find a woman veteran artist, they will make another request for March (women veterans week is the 3rd week of March).

They also invited DVS to sponsor a table at On The Square events – these are social events set up by DGS and the Governor’s staff for state employees, but other Richmonders who work nearby often come and join in. Director Damico and Policy Analyst Jennifer Boyd mentioned either Food Truck Wednesdays or a Farmer's Market Fridays (or one of each) in September and October. The idea is to have veteran artists display and sell their artwork. DVS would need to be the sponsor, but the BVS and work group members in particular should to help Carrie Ann with the table. That would include recommending artists, setting up and taking down the tent and table, manning the table to talk to state employees about the work of the board and work group and any other duties as needed.

Finally, DGS discussed putting out an RFP for agencies to buy new artwork for their buildings and buy from Virginia veteran owned businesses – either the artist him/herself or a veteran gallery owner selling artwork by veterans. While we do have Carl Bedell on this work group who has extensive art contacts, we need anyone with contacts and suggestions to provide them to Ms. Waters and DVS as soon as possible. Ms. Waters and Ms. Alford are working with the staff of the Virginia War Memorial as they have done art events and instillations in the past. Given how fast they want this up and running, we need to act quickly as to not lose enthusiasm.
**Questions for the Board:**

- Are members willing to help out with the On The Square events? If so -
- Do you know of artists who would be interested in participating?
- Do you know of art programs at universities or colleges in Virginia that should be contacted?
- Are there any galleries in Virginia that show and promote artists who are veterans?
- Are any members willing to work with DGS on the art instillation in November? Should we find one artist or put out an RFP and have BVS members select a “winner”?
- Are any members willing to work with DGS on the art instillation in March and finding women veterans who are artists?

This could bring good press for DVS and veterans who are artists as well as really promote the arts as small business in Virginia.

Respectfully submitted,
Julie Waters, Chair
