Welcome Aboard! Thank you for stepping forward to serve as a member of the Board of Veterans Services (BVS). We work closely with the Department of Veterans Services (DVS) to ensure that quality services are delivered to Virginia’s veterans and their families.

I am proud to report that the BVS has fulfilled its mission since the Board’s establishment in 2003, due in no small part to the energy, dedication, experience, and engagement of our Board members. We advise the DVS on matters of policy, assist in strategic planning, and support DVS staff in the areas of education, employment initiatives, behavioral health support services, benefits, cemeteries, care centers, and the Virginia War Memorial.

The Board’s focus is to provide recommendations to the DVS on veterans-related policy issues and to ensure that DVS has the resources needed to provide the very best state-level support and services to Virginia’s veterans and their families. Even in these times of constrained resources, DVS must continue to hire, train, and retain skilled, motivated, and dedicated team members. The BVS has a vital role in supporting these activities.

The members of the Board also support the work of the Joint Leadership Council of Veterans Service Organizations (the JLC), the Veterans Services Foundation (VSF) and the Virginia War Memorial Foundation (VWMF). We look forward to continuing our combined and complementary efforts to support these organizations.

Over the past decade, we have built and sustained outstanding partnerships with the Governor and the Virginia General Assembly. We are proud to be members of the Board of Veterans Services, and look forward to your involvement and commitment.

Respectfully,

Michael Dick
Chairman
COMMISSIONER’S MESSAGE

Thank you for serving Virginia’s veterans and their families as a member of the Virginia Board of Veterans Services.

In our shared mission of serving Virginia and Virginia’s veterans and their families, we are charged with making Virginia the most veteran friendly state in the nation through the delivery of results-oriented and cost-effective services. To meet this objective, the Board of Veterans Services and the Virginia Department of Veterans Services must continue to strengthen its relationship through collaboration, transparency, and teamwork.

The Board plays an integral role in developing policy initiatives and strategic planning that enhance and improve the Department’s services to Virginia’s veterans. As you monitor the welfare of Virginia’s veterans, we will rely on you and your expertise, skills and knowledge to further our mission in new and innovative ways. This is especially vital during this period of considerable upheaval across Virginia and the Nation.

The team at the Virginia Department of Veterans Services is committed to providing full spectrum services, support and opportunities to the more than 700,000 veterans who call the Commonwealth home. We look forward to partnering with the Board to improve our outreach and services to Virginia’s veterans and their families.

**Expenses and Compensation**
All board members are reimbursed for reasonable and necessary expenses incurred in the performance of their duties. This includes mileage reimbursement for travel associated with Board meetings and when a Board member attends the meeting of another DVS-related board in his/her official capacity as a Board member. DVS will also reimburse mileage when a Board member attends a DVS-related ceremony or event (such as the opening of a new office) in his/her official capacity as a Board member and when a Board member is visiting a DVS facility, meeting with DVS staff, or otherwise conducting Board-related business in an official capacity. DVS will notify the appropriate staff in the Clerks’ offices when a legislative member attends a Board meeting or DVS-related ceremony, visits a DVS office, etc. so that compensation can be provided through the House or Senate.

Funding for the costs of compensation and expenses of the members is provided by the Department of Veterans Services.

**RESPONSIBILITIES OF BOARD MEMBERS**
The Board of Veterans Services is an active board with specific duties laid out in the Code of Virginia. DVS relies on the expertise, insight, and experience of Board members who work with DVS to serve Virginia’s veterans and their families.

BVS members also have three administrative responsibilities while part of the Board: all Board members must have a basic knowledge of the Virginia Freedom of Information Act, Board members must complete online Conflict of Interest training every two years, and citizen members of the Board must fill out an annual Financial Disclosure Statement (Statement of Economic Interest).
Conflict of Interest Training
Online Conflict of Interest training is required every two years, with specific modules for citizen members of state boards and for members of the Virginia General Assembly.

To access the online training, go to http://ethics.dls.virginia.gov/index.asp. From this page, click on the link to the training module that pertains to your role on the Board (i.e. citizen member of General Assembly member).

As noted on the Virginia Conflict of Interest and Ethics Advisory Council website, “You are required to view the training module in its entirety in order to satisfy the training requirement. The system will not credit your attendance if you fast forward through any portion of the training.”

Financial Disclosure Statements (Statements of Economic Interest)
Pursuant to subsection B of § 2.2-3114 of the Code of Virginia:

“nonsalaried citizen members of all policy and supervisory boards, commissions and councils in the executive branch of state government, other than the Commonwealth Transportation Board, members of the Board of Trustees of the Virginia Retirement System, members of the Board of the Virginia College Savings Plan, and the Virginia Lottery Board, shall file with the Council, as a condition to assuming office, a disclosure form of their personal interests and such other information as is required on the form prescribed by the Council pursuant to § 2.2-3118 and thereafter shall file such form annually on or before February 1.”

DVS will notify citizen members of the Boards of upcoming Conflict of Interest training and Financial Disclosure Statement submission dates. Members will receive an e-mail directly from the Virginia Conflict of Interest and Ethics Advisory Council with instructions on completing the conflicts of interest training and submitting the required form electronically.

Financial Disclosure Statements are open for public inspection.

Freedom of Information Act (FOIA)
It is your responsibility as a member of a state board with reporting duties and public notice requirements to be familiar with the FOIA regulations here in Virginia. The full law can be found online at: http://foiacouncil.dls.virginia.gov/2019law.pdf

The Virginia Freedom of Information Act ensures that the people of the Commonwealth have ready access to public records in the custody of a public body or its officers and employees, and free entry to meetings of public bodies wherein the business of the people is being conducted. Unless an exemption provided by the Act or any other statute is properly invoked, every meeting is be open to the public and all public records are be available for inspection and copying upon request.
The provisions of the FOIA are liberally construed to promote an increased awareness by all persons of governmental activities and afford every opportunity to citizens to witness the operations of government. Any exemption from public access to records or meetings is narrowly construed and no record shall be withheld or meeting closed to the public unless specifically made exempt pursuant to the FOIA or other specific provision of law. The FOIA shall not be construed to discourage the free discussion by government officials or employees of public matters with the citizens of the Commonwealth.

§ 2.2-3701. Definitions. (FOIA) [EXCERPT]
As used in this chapter, unless the context requires a different meaning:

“Closed meeting” means a meeting from which the public is excluded.

“Electronic communication” means the use of technology having electrical, digital, magnetic, wireless, optical, electromagnetic, or similar capabilities to transmit or receive information.

“Emergency” means an unforeseen circumstance rendering the notice required by this chapter impossible or impracticable and which circumstance requires immediate action.

“Information” as used in the exclusions established by §§ 2.2-3705.1 through 2.2-3705.7, means the content within a public record that references a specifically identified subject matter, and shall not be interpreted to require the production of information that is not embodied in a public record.

“Meeting” or “meetings” means the meetings including work sessions, when sitting physically, or through electronic communication means pursuant to § 2.2-3708.2, as a body or entity, or as an informal assemblage of (i) as many as three members or (ii) a quorum, if less than three, of the constituent membership, wherever held, with or without minutes being taken, whether or not votes are cast, of any public body. Neither the gathering of employees of a public body nor the gathering or attendance of two or more members of a public body (a) at any place or function where no part of the purpose of such gathering or attendance is the discussion or transaction of any public business, and such gathering or attendance was not called or prearranged with any purpose of discussing or transacting any business of the public body, or (b) at a public forum, candidate appearance, or debate, the purpose of which is to inform the electorate and not to transact public business or to hold discussions relating to the transaction of public business, even though the performance of the members individually or collectively in the conduct of public business may be a topic of discussion or debate at such public meeting, shall be deemed a “meeting” subject to the provisions of this chapter.

“Open meeting” or “public meeting” means a meeting at which the public may be present.

It shall not exclude any such committee, subcommittee or entity because it has private sector or citizen members. Corporations organized by the Virginia Retirement System are “public bodies” for purposes of this chapter.

For the purposes of the provisions of this chapter applicable to access to public records, constitutional officers and private police departments as defined in § 9.1-101 shall be considered public bodies and, except as otherwise expressly provided by law, shall have the same obligations to disclose public records as other custodians of public records.

“Public records” means all writings and recordings that consist of letters, words or numbers, or their equivalent, set down by handwriting, typewriting, printing, photostatting, photography, magnetic impulse, optical or magneto-optical form, mechanical or electronic recording or other form of data compilation, however stored, and regardless of physical form or characteristics, prepared or owned by, or in the possession of a public body or its officers, employees or agents in the transaction of public business.

**Strategic Planning**

Strategic planning is one of the main focuses of the Board.

The Code of Virginia specifically charges the Board of Veterans Services to “Review and advise the Commissioner of the Department of Veterans Services on the Department’s strategic plan.”

We accomplish this responsibility by having each Board member annually review the parts of the DVS Strategic Plan that align with their area of responsibility. Board members should provide feedback, help DVS establish or adjust goals, objectives, and measurement criteria, and monitor progress towards those goals and objectives. Board members should understand how the availability of resources (people, time, money, etc.) can put constraints on agency operations. Board members should “check in” with the DVS leader(s) for their assigned area on a regular basis.

Another way we assist DVS is to be actively engaged in our communities – listening to what veterans, local governments, front-line service providers and others in the community need and
identifying ways to improve existing programs. In every conversation, we must be cognizant of budgetary reality, i.e., the need to balance requirements with resources.

**Annual & Meeting Responsibilities**

As with most things in life, how much you get out of your experience as a Board member is directly proportional to how much effort you put into it. There is a way for every member to be engaged. Board members will have responsibilities to prepare for each meeting – normally three during the year – as well as annual tasks to be completed as a group and responsibilities specific to the General Assembly Session.

**Meeting Responsibilities:**

1. **Be prepared.**
   - Attendance is important – there are usually only three regular meetings per year.
   - Read the agenda, minutes of the past meeting and other “read ahead” documents
   - Come prepared with questions/ideas

2. **If you are a “Point of Contact” person for one of the DVS Service Lines, be prepared to deliver an “annual report” to the full board.**

3. **All members are encouraged to come prepared to share a “Good of the Order” Report**
   - These are **1 minute reports** (and no more than 1 minute) at end of meetings where each member can give a quick report on an upcoming or past event, program they are involved in, special project, etc. in “the real world” that would be of interest to the other board members.

4. **Be engaged!** When the Chairman or DVS staff ask for your assistance, please try to take on the assignment.

5. **Points of Contact (POC)**
   - POCs are Board members appointed to work with DVS program managers, service line directors, and deputy commissioners.
   - They serve as a sounding board, information resource, and give assistance.
   - They work with their DVS team members throughout the year on potential budget or legislative issues, and
   - Keep in contact with the Commissioner and Deputy Commissioners.
Annual Responsibilities:

1. **Assist DVS with the development of budgetary goals and related procedural matters**
   - POCs will maintain communication with the DVS team member(s) on budget, staff, or services issues.
   - Build and maintain good relationships with Delegates and Senators – you may be asked by the Chair or DVS staff to reach out to a legislator on a particular request.
   - Board members are asked to check with the Chairman and DVS before reaching out to a General Assembly member regarding budget requests. It is possible someone else has already reached out.

2. **Become a subject matter expert on a DVS service line or program** - some of the best programs and initiatives DVS has enacted have come from our board members.
   - Learn about the state Executive and Legislative branches –
     a. How they are structured and work throughout the year
     b. Budget and legislative processes
     c. Who the legislators are
   - Points of Contact (POCs) will be a sounding board for their DVS team members throughout the year, checking in by phone, email and in person.
   - POCs should also visit facilities to meet the staff working directly with the veterans.
   - All board members have the ability to request an ad hoc working group for more extensive research or work on a budget or policy initiative. Board members should make a recommendation to the Chair, who will then bring the request to the full board for a vote.
   - POCs will make reports to the full board on their interactions with their DVS program area/service line POC. These annual reports should be 10-15 minutes long and include a 1-page, written “Executive Summary” to be emailed out to the board members before the meeting with the agenda packet.

3. **Read the DVS Annual Report**
   - Even if you are not currently a POC for one of the service lines, you should have a familiarity with what DVS is doing and what they are reporting on to the Governor, Secretary of Veterans and Defense Affairs, and the General Assembly each year to be a better advocate for them.
The Annual Calendar

The calendar year is divided into two sections:

1. **Legislative Time:** This runs from roughly October 1 through the end of the General Assembly Session.
   - In even years, the Session is 60 days long, with an emphasis on crafting and passing a biennial budget.
   - In odd years, the Session is 45 days long, and while budget amendments are offered, the main focus (usually) is on legislation.
   - Session begins on the second Wednesday in January and runs through February or March depending on the year.

2. **Non-Legislative Time:** March – September is just as important as Session. The government calendar is July 1 – June 30. Budget discussions begin in the summer, and legislative/policy planning and drafting begin in the summer, but pick up pace in the fall around October.

   This is the time for the Board to:
   - Work with DVS on strategic goals and plans
   - Work with DVS on budget needs and goals
   - Research what other states are doing
   - Engage with your local communities

Legislative Time & During Session

You were appointed to the Board because of skills, knowledge and abilities you possess. You are to be an advocate for the Board, DVS and Virginia’s veterans. You advocate by meeting with key stakeholders – legislators, their legislative assistants, other organizations working with veterans, groups in your communities and local government officials.

**Responsibilities:**

1. **Be an advocate for Board and DVS priorities**
   - DVS will help you prepare talking points and other materials.
   - Use all methods: phone, emails, letters, social media, attend community meetings.
   - Please work with DVS and BVS Chair on any letters to the editor or editorials and do not submit anything for publication as a member of the board without coordination with the Chair and DVS.

2. **Connect with legislators on policy and budget priorities** that the Board has set and voted on for the Session.
One of the key groups to be an advocate for the Board and DVS is the legislature. Primarily, you should be building relationships with your Delegate and Senator, and if you are in an urban area, the members in the surrounding districts.

If your county Board of Supervisors, City Council, Delegate and Senator, or other groups hold a pre-legislative session meeting, you are encouraged to attend.

- You do not need to get up in the meeting or prepare remarks
- Should you plan to provide remarks, please let DVS staff know you will be attending so they can help you with talking points.
- Introduce yourself to the elected officials and let them know you are a member of BVS.
- Feel free to get up during the Q&A and ask a question related to veterans
- Talk with the people who attend; feel free to hand out your BVS business cards.

Try to schedule a meeting with your Delegate and Senator before Session starts to brief them on the Board’s initiatives for the Session and any proposed legislative initiatives approved by BVS.

Definitely call/email the Legislative Assistants for your Delegate and Senator and make sure they know what BVS policy and budget initiatives are for the Session. Ask they have questions and if their boss is carrying any veteran-friendly legislation.

3. **Keep in communication with DVS** on policy, budget and strategic planning initiatives regarding your subject area. We’re all on the same team with the same goal.

**Goals for Session:**

1. **Attendance at least one meeting of the General Assembly Military & Veterans Caucus**

   The meetings are every Wednesday morning at 8am from the 2nd week of Session through the end of Session. They involve presentations from agency and cabinet officials and other organizations working with military service members, veterans, and their families in Virginia. They also allow legislators to give updates on their legislation. They are very informative and a great way to get to know what is going on in Virginia and those working on veterans issues. DVS will notify Board members in advance with the meeting location and scheduled speakers.

2. **Visiting legislators to advocate for DVS** during Session

   The Board of Veteran Services needs to be in the GAB promoting DVS, their budget and policy priorities. We are their advocate.
DVS MISSION, VISION, AND VALUES

Mission
To serve Virginia’s veterans, members of the Virginia National Guard, Virginia residents in the Armed Forces Reserves, and their family members, by ensuring they receive timely transition, employment and education assistance, benefits, health care and long-term care and recognition they have earned through service to our country and Commonwealth.

Vision
To be the most veteran-friendly state in the nation by setting the national benchmark for the delivery of results-oriented and cost-effective veterans services.

Values
- **Excellence**: Provide exemplary service to Virginia’s veterans and their families.
- **Commitment**: An enduring commitment to helping Virginia’s veterans and their families receive all earned federal and state benefits; and create an economic environment that promotes veteran-owned businesses and Virginia companies hiring veterans.
- **Innovation**: Continually find new methods to reach and serve Virginia’s veterans and their families.

DVS SERVICE LINES

Benefits Services
The mission of Benefits Services is to provide Virginia’s veterans and their family members with accurate, timely and ethical education and assistance in obtaining the federal and state benefits they have earned through service and sacrifice to our Commonwealth and Nation.

The DVS Benefits Services section assists Virginia’s veterans in gaining access to federal and state benefits they are entitled to, including: compensation for service-connected disabilities or death, income-based pensions, medical care, home purchase assistance, education, and burial benefits.

In addition to direct contact at one of our 34 offices, our employees assist veterans at dozens of itinerant service points, in effect satellite Benefits Offices. These satellite offices are often in the more rural parts of Virginia. Space is provided by federal, state or local government agencies, or private organizations, such as the Veterans of Foreign Wars and American Legion, always at no charge to DVS or the veterans. The itinerant service points allow DVS to reach and serve a greater number of veterans, many of whom face significant challenges like the lack of adequate transportation, without incurring the cost of fixed operating facilities. These satellite offices create a cost-effective win-win for the state and the veterans.
Virginia Veteran and Family Support (VVFS) Program

VVFS provides hands on assistance navigating supportive services, peer and family support, and services to the most vulnerable veterans, including justice-involved veterans and those at risk for, or experiencing homelessness.

VVFS focuses supportive services in six areas:

1. Case coordination and management;
2. Housing and Homeless Services;
3. Justice Involved Services program (JIS);
4. Mission: Healthy Relationships and Mission: Healthy Families (MHR, MHF); and
5. Veteran Peer Support (VPS) Services

Through an integrated and responsive system of care, VVFS monitors and coordinates behavioral health, rehabilitative services, and supportive services.

The Housing Development Team, within VVFS, provides statewide coordination and leadership for the Commonwealth’s continued commitment to functionally ending veteran homelessness.

The Justice-Involved Veterans team offers resource connections, care coordination, and support to Virginia’s veterans and service members across the justice spectrum, including diversion, incarceration and reentry to the communities. JIS offers direct assistance to veterans and service members of any era, regardless of discharge status. When an active military service member violates both military and civilian laws, the individual can be tried in military court, civilian court or both, but most crimes violate both military and civilian laws, landing the active duty member in civilian court and, hopefully, eligible for the veterans treatment docket and JIS. The program is involved with veterans treatment dockets, in local jails and state prisons, and serving those veterans out on bail, on probation and/or parole supervision. JIS includes a formalized referral process, an electronic mailbox for justice-involved referrals (VVFS Justice mailbox: justice.vvfs@dvs.virginia.gov), and VVFS Veteran Justice Specialists (VJS) in each region to work with justice-involved veterans pre- and post-release.

The Family Services team, within VVFS, provides individualized and group support, and wrap-around care services to family members of veterans. VVFS offers “Mission: Healthy Relationships” and “Mission: Healthy Families” relationship and family resiliency skills building programs.

The Veteran Peer Support program is a blend of professional training and personal experience. VPS staff provide veterans support in his/her pursuit of improvements in health, wellness and quality of life, as they relate to behavioral and rehabilitative needs resulting from or exacerbated by military service. Veteran clients are matched with a Veteran Peer Specialist who is like-minded and has similar or familiar military and post-military experiences, to be relatable to the client. The veteran peer support program also facilitates veteran support groups, providing
structure to promote personal growth, self-awareness, coping strategies, and the unique opportunity to interact with other like-minded veterans.

**Veterans Education, Training & Employment (VETE)**

The Veterans Education and Training & Employment (VETE) Sections of the Department of Veterans Services ensure that every veteran or eligible person has a full and fair opportunity to reach his or her fullest potential through access to the G.I. Bill approved post-secondary educational, training/ licensure/certification, and Virginia colleges and universities, as well as V3 certified employers. We provide these opportunities in a timely manner via:

1. State Approving Agency for Veterans Education & Training (SAA)
   *Enable access to post-secondary education opportunities for veterans and eligible family members.*

2. Virginia Values Veterans (V3) Program
   *Provides education, training, and connectivity resources to assist employers recruit, hire, and retain a highly-skilled, well-educated, and easily-trained talent pool: Virginia’s Veterans.*

3. Virginia Transition Assistance Program (VTAP)
   *Assists military service members and veterans in their transition to post-military education, training, employment, and entrepreneurial opportunities.*

4. Military Medics & Corpsmen Program (MMAC)
   *The Military Medics and Corpsmen (MMAC) Program provides service members with specialized medical training an opportunity for employment at Virginia health care providers, a pathway to licensure and long-term medical careers, and a solution to acute health care staffing shortages in Virginia’s health care industry.*

5. Virginia Military Survivors and Dependents Education Program (VMSDEP)
   *Provides education benefits to spouses and children of military service members killed, missing in action, taken prisoner, or who became at least 90 percent disabled as a result of military service in an armed conflict.*

6. Virginia Women Veterans Program (VWVP)
   *Provides full time support to Virginia’s women veterans and their unique and diverse needs at the state level. With partners, hosts the annual Virginia Women Veterans Summit.*
**Veteran Care Centers**

The mission of the veteran care centers is to provide affordable, high quality, and comprehensive care to Commonwealth of Virginia veterans residing in Virginia’s state-operated veterans care centers.

Virginia’s veterans care centers are “revenue neutral,” receiving no operating monies from the General Fund, and operating entirely on revenues generated through services provided to residents. Revenue sources include: Medicaid, Medicare, per diem payments from the U.S. Department of Veterans Affairs (VA), and private funding sources. All beds are certified for both Medicare and Medicaid.

The **Virginia Veterans Care Center** (VVCC) is located adjacent to the Salem Veterans Affairs Medical Center, is a 224-bed facility, with 120 beds dedicated to skilled nursing care, 60 beds to Alzheimer’s/memory care, 16 beds to short-term rehabilitative care, and 24 assisted-living (domiciliary care) beds.

The **Sitter & Barfoot Veterans Care Center** (SBVCC), located on the campus of the McGuire Veterans Affairs Medical Center in Richmond, is a 200-bed, single-occupancy facility, with 160 beds dedicated to skilled nursing care/short-term rehabilitative care and 40 to Alzheimer’s/memory care.

Two new VCCs are under construction: the 128-bed **Puller Veterans Care Center** in Vint Hill (Fauquier County) and the 128-bed **Jones & Cabacoy Veterans Care Center** in Virginia Beach.

**State Veterans Cemeteries**

The mission of our Virginia Veterans Cemeteries is to provide a dignified final resting place for veterans and eligible dependents. The DVS Cemetery Services section operates and lovingly maintains Virginia’s three state veterans cemeteries: the Virginia Veterans Cemetery in Amelia, the Albert G. Horton, Jr. Memorial Veterans Cemetery in Suffolk, and the Southwest Virginia Veterans Cemetery in Dublin.
