Virginia Women Veterans Program

Strategic Opportunities

- Virginia's women veteran population increased to 107,533 veterans*
 - In FY19, we reached over 1,700 women veterans
 - So far in FY20, we've reached almost 1,600 women veterans
- Goal → reach a larger percentage of Virginia's women veterans
 - Employment/education/mentorship projects
 - Community Impact Volunteerism to help us identify women veterans
 - Support Women Veteran Entrepreneurs
 - Develop partnerships with Virginia-based and national/federal organizations to increase the number of women veterans served
