Chairman's Message

The Joint Leadership Council of Veterans Service Organizations (JLC) is comprised of 25 Veteran Service Organizations (VSOs) representing over 250,000 members. JLC members are committed to serving Virginia's over 720,000 Veterans of which 157,914 are retired and call Virginia their home. We serve these Veterans in numerous ways, and advocate for the entire military community, including the Active Duty force, the National Guard, the Armed Forces Reserves, and their families. Veterans comprise almost 10% of the Commonwealth's population, giving Virginia one of the highest per capita populations of Veterans.

Our commitment to the Commonwealth of Virginia and supporting Veterans and their families could not be stronger. JLC members are working on multiple initiatives for consideration during the 2021 General Assembly session. All are published on our website and have been distributed to legislators for consideration as possible legislation or budget items.

This year has been a difficult one with the COVID-19 Pandemic. Many of our VSOs were not able to have their monthly meetings which delayed submission of their initiatives. As for the JLC we were unable to hold our April 2020 meeting. We extended our deadline for submissions to our October 2020 meeting. We were able to meet in person for our July meeting with all CDC precautions in place and with the dedicated help of the Department of Veterans Services and the Virginia War Memorial staff.

During our July 2020 meeting, I was honored to be elected as Chairman of the JLC and Denice Williams, representing the Disabled American Veterans (DAV), was elected Vice Chair. Lauren Augustine, representing the Iraq and Afghanistan Veterans of America (IAVA) is our appointed Legislative Officer.

We deeply value our partnership with the Department of Veterans Services, Board of Veterans Services, Veterans Services Foundation, Virginia War Memorial Foundation, the Governor, and the General Assembly, as we work together to serve Virginia's Veterans and their families. The Governor and the General Assembly have significantly supported the legislative and budget initiatives proposed by the JLC over the years. Normally every January, our members visit the General Assembly at the start of the session and enjoy speaking with State Senators and Delegates about the merits of JLC-sponsored bills and budget amendments. This year might be different because of COVID-19, but we will do everything possible to communicate with our elected officials. It is important work that ensures all Virginia Veterans have the ability to speak with a coordinated voice to our Legislators.

In this report is a summary of JLC priorities from 2005 – 2020, in which we have had a 76% success rate in our initiatives. The JLC is proud to serve as a voice for all of Virginia's Veterans. The JLC looks forward to our continued involvement in the legislative process and promoting Virginia as the most Veteran-friendly state in the Nation.

With deep respect and admiration,

William B. Ashton

The Council provides advice and assistance to the Governor, General Assembly and the Department of Veterans Services on matters of concern to the veterans community and provides a conduit of information to and from the veterans service organizations on policy and legislation, pending and enacted, as well as information on existing services.

Vision

The Council will:

- *Give veterans a broader understanding of the services available to them as citizens of Virginia.*
- *Help veterans and veterans' organizations achieve legislation or policy changes needed to improve veterans' services.*
- *Enhance communications between the public, the state government, and the state's veterans.*
- *Help the Governor and the Department of Veterans Services develop policies that improve services for Virginia's veterans.*
- *Help the General Assembly develop and pass laws that more clearly respond to veterans' needs.*

Issue Identification, Development, and Advocacy

As the voice of Virginia's veterans, the JLC identifies issues of concern to veterans, their spouses, orphans, and dependents and serves in an advisory capacity to the Virginia Department of Veterans Services. Each year, the JLC presents a list of key initiatives for consideration by the Governor and General Assembly. So, when you ask, "*What are Virginia's veterans' issues?*" the answer is clear – *these* are the top issues.

Communication

The JLC supports DVS by communicating information to veterans about their benefits, events, and issues. JLC members promptly relay information to the members of their respective organizations, amplifying the effectiveness of DVS' communications and initiatives. Additionally, cross-sharing of information has resulted in partnerships and cooperative efforts among the various veterans service organizations.

JLC advocacy has led to positive results

JLC advocacy/support has led to positive results for Virginia's veteran and military community (veterans, active duty, Guard, Reserves, and families). This includes:

1. Creation of the Virginia Wounded Warrior Program (VWWP) - now the Virginia Veteran and Family Support (VVFS) Program - helps our most vulnerable veterans and family members who face challenges related to PTS, TBI, behavioral health, suicide risk, etc.
2. Creation of state Homeless Veterans program, which became part of broad efforts that led to Virginia being the first state to functionally end veterans homelessness. 6,153 veterans were housed from October 2014 – September 2020.
3. Creation of the Virginia Values Veterans (V3) Program. Over 67,000 veterans have been hired by V3 employers since 2012.
4. Expansion of DVS benefits services offices and hiring of team members to help Virginia veterans and families access broad array of veterans benefits, including federal disability compensation and VA health care.
5. In-state tuition at public colleges and universities for Active Duty, Veterans, and Military/Veterans Family Members.
6. Real estate tax exemptions for 100% service-connected disabled veterans and for the surviving spouses of service members killed in action.
7. Construction of a new state veterans cemetery in Southwest Virginia and two expansions of the Virginia War Memorial in Richmond.
8. Funding to construct new state veterans nursing homes (veterans care centers) in Hampton Roads and Northern Virginia (construction began March 2020).
9. Authorization for localities to create veterans dockets.
10. Authority for members of the Virginia National Guard and Virginia Defense Force to receive pay and allowance equal to their rank and years of service when they are on state active duty in response to certain emergencies.
