CHAIRMAN'S MESSAGE

Welcome Aboard! Thank you for stepping forward to serve as a member of the Board of Veterans Services (BVS). We work closely with the Department of Veterans Services (DVS) to ensure that quality services are delivered to Virginia's veterans and their families.

I am proud to report that the BVS has fulfilled its mission since the Board's establishment in 2003, due in no small part to the energy, dedication, experience, and engagement of our Board members. We advise the DVS on matters of policy, assist in strategic planning, and support DVS staff in the areas of education, employment initiatives, behavioral health support services, benefits, cemeteries, care centers, and the Virginia War Memorial.

The Board's focus is to provide recommendations to the DVS on veterans-related policy issues and to ensure that DVS has the resources needed to provide the very best state-level support and services to Virginia's veterans and their families. Even in these times of constrained resources, DVS must continue to hire, train, and retain skilled, motivated, and dedicated team members. The BVS has a vital role in supporting these activities.

The members of the Board also support the work of the Joint Leadership Council of Veterans Service Organizations (the JLC), the Veterans Services Foundation (VSF) and the Virginia War Memorial Foundation (VWMF). We look forward to continuing our combined and complementary efforts to support these organizations.

Over the past decade, we have built and sustained outstanding partnerships with the Governor and the Virginia General Assembly. We are proud to be members of the Board of Veterans Services and look forward to your involvement and commitment.

Respectfully,

Michael Dick
Chairman

As you monitor the welfare of Virginia's veterans, we will rely on you and your expertise, skills, and knowledge to further our mission in new and innovative ways. This is especially vital during this period of considerable upheaval across Virginia and the Nation.

The team at the Virginia Department of Veterans Services is committed to providing full spectrum services, support, and opportunities to the more than 690,000 veterans who call the Commonwealth home. COMPACT WITH VIRGINIA'S VETERANS

Virginia's commitment to being the most veteran-friendly state in the nation is reflected in the **Compact with Virginia's Veterans**. The Board of Veterans Services plays an active role throughout the year on the goals set forth in this Compact.

The Virginia Department of Veterans Services will unify the state's efforts in veterans services. With a highly trained and professional workforce, we will serve as a primary port of entry to federal, state and community resources, connecting veterans and their families to earned benefits. We will optimize technology advances to enrich services and increase outreach. We will advocate for veteran quality of life enhancements and prioritize accessibility of services for transitioning service members, veterans, and their families throughout the Commonwealth

DVS Objectives and Key Results (OKR)

Agency Objectives: **STAY, WORK and THRIVE**

DVS has an agency objective to grow the number of transition service members and families that **STAY** in the Commonwealth, enhance their career opportunities through **WORK** initiatives and maximize services to enable Virginia's veteran and military family population to **THRIVE**.

STAY

DVS Key Result: Increasing percentage of transitioning service members who STAY in Virginia from 50% to 55% by the end of Governor Youngkin's term.

Approximately 20,000 service members leave military service in Virginia each year; of those, approximately 50% stay in Virginia. DVS is working with the Department of Defense (DoD), as well as local base commanders to provide and expand opportunities to inform transitioning service members, veterans, and their families of the many benefits of staying in the Commonwealth. Our goal is to increase this percentage each year of Governor Youngkin's term; the tax break on military retirement pay should help in this regard.

DVS Key Result: Integrate into the Federal Transition Assistance Program (TAP) by providing in-person briefings to 100% of TAP participants by the end of Governor Youngkin's term.

TAP classes include briefings on benefits, work transition, and entrepreneurship opportunities for transitioning veterans. DVS is working with local base commanders and DoD TAP managers to allow DVS to brief in all TAP class in Virginia, through formal partnerships and agreements. Currently, DVS' goal is to be in every TAP class at every installation as well as all virtual events and to brief 100% of the service members attending TAP.

WORK

DVS Key Result: Increasing the number of V3 certified companies from 1,730 to 6,000 by the end of Governor Youngkin's term.

Through the Virginia Values Veterans (V3) Program, DVS fulfills its mission to educate and train employers throughout the Commonwealth on the value of Virginia's veterans, and to help employers connect with these veterans. We are committed to assisting employers recruit, hire, train,

and retain veterans. DVS increased the number of V3 certified companies almost 80% this year.

DVS Key Result: Increasing the number of V3 veteran hires to 25,000 per year by the end of Governor Youngkin's term.

Transition from military service is not complete on the date of discharge. The V3 Transition Program provides transition resources and assistance to veterans who now call Virginia home. V3 Transition assists transitioning veterans connect with employment, education, entrepreneurial, and supportive services, and helps educate participating veterans and veteran services providers on available resources and opportunities. Through these initiatives the number of Veterans assisted increased over 10,000 this year, with more than 103,000 veterans hired through DVS V3 assistance since program inception in 2012.

THRIVE

DVS Key Result: Grow the number of veterans owned businesses from 87,740 to 105,000 by the end of Governor Youngkin's term.

Virginia is home to over 750,000 businesses. Registered veteran owned businesses comprise more than 11% of businesses in Virginia. Through our V3 entrepreneurial enterprise and partnerships with the Virginia Employment Commission and Small Business Administration, we will continue to introduce veterans to the opportunities to sell in Virginia.

DVS Key Result: Grow the number of eVA-certified veterans service-disabled veteran owned businesses from 732 to 1050 by the end of Governor Youngkin's term.

As part of the Virginia Small, Women-owned, and Minority-owned business (SWaM) certification program, DVS works with qualifying service-disabled veterans who are small business owners to obtain a Service Disabled Veteran-Owned Small Business (SDVOSB) designation in the Virginia SWaM vendor database, affording them an opportunity to sell to Virginia state and local government agencies through the eVA procurement platform. DVS has an established relationship with the Department of Small Business and Supplier Diversity to verify and certify potential vendors through the SDVOSB program. DVS has a goal to increase the number of SDVOSBs available in eVA from 732 to 1,050.

DVS Key Result: Increasing participation in VMSDEP from 3,185 to 6,000 by the end of Governor Youngkin's term.

DVS is responsible for certifying eligibility for benefits under the Virginia Military Survivors and Dependents Education Program (VMSDEP), which provides education benefits to spouses and children of military service members killed, missing in action, taken prisoner, or who have been rated by the United States Department of Veterans Affairs (USDVA) as totally and permanently disabled, or at least 90 percent permanently disabled as a result of military service. Through outreach and working with our university partners, DVS enabled over 3,000 surviving dependents to utilize this program. Our goal is to grow to 6000 by 2025.

RESPONSIBILITIES OF BOARD MEMBERS

The Board of Veterans Services is an active board with specific duties laid out in the Code of Virginia. DVS relies on the expertise, insight, and experience of Board members who work with DVS to serve Virginia's veterans and their families.

BVS members also have three administrative responsibilities while part of the Board: all Board members must have a basic knowledge of the Virginia Freedom of Information Act, Board members must complete online Conflict of Interest training every two years, and citizen members of the Board must fill out an annual Financial Disclosure Statement (Statement of Economic Interest).

Conflict of Interest Training

Online Conflict of Interest training is required every two years, with specific modules for citizen members of state boards and for members of the Virginia General Assembly.

To access the online training, go to <http://ethics.dls.virginia.gov/index.asp>. From this page, click on the link to the training module that pertains to your role on the Board (i.e. citizen member of General Assembly member).

As noted on the Virginia Conflict of Interest and Ethics Advisory Council website, “You are required to view the training module in its entirety in order to satisfy the training requirement. The system will not credit your attendance if you fast forward through any portion of the training.”

Financial Disclosure Statements (Statements of Economic Interest)

Pursuant to subsection B of § 2.2-3114 of the Code of Virginia:

“nonsalaried citizen members of all policy and supervisory boards, commissions and councils in the executive branch of state government, other than the Commonwealth Transportation Board, members of the Board of Trustees of the Virginia Retirement System, members of the Board of the Virginia College Savings Plan, and the Virginia Lottery Board, shall file with the Council, as a condition to assuming office, a disclosure form of their personal interests and such other information as is required on the form prescribed by the Council pursuant to § 2.2-3118 and thereafter shall file such form annually on or before February 1.”

DVS will notify citizen members of the Boards of upcoming Conflict of Interest training and Financial Disclosure Statement submission dates. Members will receive an e-mail directly from the Virginia Conflict of Interest and Ethics Advisory Council with instructions on completing the conflicts of interest training and submitting the required form electronically.

Financial Disclosure Statements are open for public inspection.

The FOIA shall not be construed to discourage the free discussion by government officials or employees of public matters with the citizens of the Commonwealth.

Strategic Planning

Strategic planning is one of the main focuses of the Board.

The Code of Virginia specifically charges the Board of Veterans Services to “*Review and advise the Commissioner of the Department of Veterans Services on the Department’s strategic plan.*”

We accomplish this responsibility by having each Board member annually review the parts of the DVS Strategic Plan that align with their area of responsibility. Board members should provide feedback, help DVS establish or adjust goals, objectives, and measurement criteria, and monitor progress towards those goals and objectives. Board members should understand how the availability of resources (people, time, money, etc.) can put constraints on agency operations. Board members should “check in” with the DVS leader(s) for their assigned area on a regular basis.

Another way we assist DVS is to be actively engaged in our communities – listening to what veterans, local governments, front-line service providers and others in the community need and

identifying ways to improve existing programs. In every conversation, we must be cognizant of budgetary reality, i.e., the need to balance requirements with resources.

Annual & Meeting Responsibilities

As with most things in life, how much you get out of your experience as a Board member is directly proportional to how much effort you put into it. There is a way for every member to be engaged. Board members will have responsibilities to prepare for each meeting – normally three during the year – as well as annual tasks to be completed as a group and responsibilities specific to the General Assembly Session.

Meeting Responsibilities:

1. Be prepared.
 - Attendance is important – there are usually only three regular meetings per year.
 - Read the agenda, minutes of the past meeting and other “read ahead” documents
 - Come prepared with questions/ideas
2. If you are a “Point of Contact” person for one of the DVS Service Lines, be prepared to deliver an “annual report” to the full board.
3. All members are encouraged to come prepared to share a “Good of the Order” Report
 - These are 1 minute reports (and no more than 1 minute) at end of meetings where each member can give a quick report on an upcoming or past event, program they are involved in, special project, etc. in “the real world” that would be of interest to the other board members.
4. **Be engaged!** When the Chairman or DVS staff ask for your assistance, please try to take on the assignment.
5. **Points of Contact (POC)**
 - POCs are Board members appointed to work with DVS program managers, service line directors, and deputy commissioners.
 - They serve as a sounding board, information resource, and give assistance.
 - They work with their DVS team members throughout the year on potential budget or legislative issues, and
 - Keep in contact with the Commissioner and Deputy Commissioners.

Annual Responsibilities:

1. Assist DVS with the development of budgetary goals and related procedural matters
 - POCs will maintain communication with the DVS team member(s) on budget, staff, or services issues.
 - Build and maintain good relationships with Delegates and Senators – you may be asked by the Chair or DVS staff to reach out to a legislator on a particular request.
 - Board members are asked to check with the Chairman and DVS before reaching out to a General Assembly member regarding budget requests. It is possible someone else has already reached out.

2. Become a subject matter expert on a DVS service line or program - some of the best programs and initiatives DVS has enacted have come from our board members.
 - Learn about the state Executive and Legislative branches –
 - a. How they are structured and work throughout the year
 - b. Budget and legislative processes
 - c. Who the legislators are currently
 - Points of Contact (POCs) will be a sounding board for their DVS team members throughout the year, checking in by phone, email and in person.
 - POCs should also visit facilities to meet the staff working directly with the veterans.
 - All board members have the ability to request an ad hoc working group for more extensive research or work on a budget or policy initiative. Board members should make a recommendation to the Chair, who will then bring the request to the full board for a vote.
 - POCs will make reports to the full board on their interactions with their DVS program area/service line POC. These annual reports should be 10-15 minutes long and include a 1-page, written “Executive Summary” to be emailed out to the board members before the meeting with the agenda packet.

3. Read the DVS Annual Report
 - Even if you are not currently a POC for one of the service lines, you should have a familiarity with what DVS is doing and what they are reporting on to the Governor, Secretary of Veterans and Defense Affairs, and the General Assembly each year to be a better advocate for them.

The Annual Calendar

The calendar year is divided into two sections:

1. **Legislative Time:** This runs from roughly October 1 through the end of the General Assembly Session.
 - In even years, the Session is 60 days long, with an emphasis on crafting and passing a biennial budget.
 - In odd years, the Session is 45 days long, and while budget amendments are offered, the main focus (usually) is on legislation.
 - Session begins on the second Wednesday in January and runs through February or March depending on the year.
2. **Non-Legislative Time:** March – September is just as important as Session. The government calendar is July 1 – June 30. Budget discussions begin in the summer, and legislative/policy planning and drafting begin in the summer but pick up pace in the fall around October.

This is the time for the Board to:

- Work with DVS on strategic goals and plans
- Work with DVS on budget needs and goals
- Research what other states are doing
- Engage with your local communities

Legislative Time & During Session

You were appointed to the Board because of skills, knowledge and abilities you possess. You are to be an advocate for the Board, DVS and Virginia's veterans. You advocate by meeting with key stakeholders – legislators, their legislative assistants, other organizations working with veterans, groups in your communities and local government officials.

Responsibilities:

1. **Be an advocate for Board and DVS priorities**
 - DVS will help you prepare talking points and other materials.
 - Use all methods: phone, emails, letters, social media, attend community meetings.
 - Please work with DVS and BVS Chair on any letters to the editor or editorials and do not submit anything for publication as a member of the board without coordination with the Chair and DVS.
2. **Connect with legislators on policy and budget priorities** that the Board has set and voted on for the Session.

- One of the key groups to be an advocate for the Board and DVS is the legislature. Primarily, you should be building relationships with your Delegate and Senator, and if you are in an urban area, the members in the surrounding districts.
 - If your county Board of Supervisors, City Council, Delegate and Senator, or other groups hold a pre-legislative session meeting, you are encouraged to attend.
 - You do not need to get up in the meeting or prepare remarks
 - Should you plan to provide remarks, please let DVS staff know you will be attending so they can help you with talking points.
 - Introduce yourself to the elected officials and let them know you are a member of BVS.
 - Feel free to get up during the Q&A and ask a question related to veterans
 - Talk with the people who attend; feel free to hand out your BVS business cards.
 - Try to schedule a meeting with your Delegate and Senator before Session starts to brief them on the Board's initiatives for the Session and any proposed legislative initiatives approved by BVS.
 - Definitely call/email the Legislative Assistants for your Delegate and Senator and make sure they know what BVS policy and budget initiatives are for the Session. Ask they have questions and if their boss is carrying any veteran-friendly legislation.
3. **Keep in communication with DVS** on policy, budget and strategic planning initiatives regarding your subject area. We're all on the same team with the same goal.

Goals for Session:

1. Attendance at least one meeting of the General Assembly **Military & Veterans Caucus**

The meetings are every Wednesday morning at 8am from the 2nd week of Session through the end of Session. They involve presentations from agency and cabinet officials and other organizations working with military service members, veterans, and their families in Virginia. They also allow legislators to give updates on their legislation. They are very informative and a great way to get to know what is going on in Virginia and those working on veterans issues. DVS will notify Board members in advance with the meeting location and scheduled speakers.
2. **Visiting legislators to advocate for DVS** during Session

The Board of Veteran Services needs to be in the GAB promoting DVS, their budget and policy priorities. We are their advocate.

DVS MISSION, VISION, AND VALUES

Mission

To serve Virginia's veterans, members of the Virginia National Guard, Virginia residents in the Armed Forces Reserves, and their family members, by ensuring they receive timely transition, employment and education assistance, benefits, health care and long-term care and recognition they have earned through service to our country and Commonwealth.

Vision

To be the most veteran-friendly state in the nation by setting the national benchmark for the delivery of results-oriented and cost-effective veterans services.

Values

- **Excellence:** *Provide exemplary service to Virginia's veterans and their families.*
- **Commitment:** *An enduring commitment to helping Virginia's veterans and their families receive all earned federal and state benefits; and create an economic environment that promotes veteran-owned businesses and Virginia companies hiring veterans.*
- **Innovation:** *Continually find new methods to reach and serve Virginia's veterans and their families.*

DVS SERVICE LINES

Benefits Services

The mission of Benefits Services is to provide Virginia's veterans and their family members with accurate, timely and ethical education and assistance in obtaining the federal and state benefits they have earned through service and sacrifice to our Commonwealth and Nation.

The DVS Benefits Services section assists Virginia's veterans in gaining access to federal and state benefits they are entitled to, including: compensation for service-connected disabilities or death, income-based pensions, medical care, home purchase assistance, education, and burial benefits.

In addition to direct contact at one of our 35 offices, our employees assist veterans at dozens of itinerant service points, in effect satellite Benefits Offices. These satellite offices are often in the more rural parts of Virginia. Space is provided by federal, state or local government agencies, or private organizations, such as the Veterans of Foreign Wars and American Legion, always at no charge to DVS or the veterans. The itinerant service points allow DVS to reach and serve a greater number of veterans, many of whom face significant challenges like the lack of adequate transportation, without incurring the cost of fixed operating facilities. These satellite offices create a cost-effective win-win for the state and the veterans.

Virginia Veteran and Family Support (VVFS) Program

VVFS provides hands on assistance navigating supportive services, peer and family support, and services to the most vulnerable veterans, including justice-involved veterans and those at risk for, or experiencing homelessness.

VVFS focuses supportive services in seven areas:

1. Case coordination and management;
2. Housing and Homeless Services;
3. Justice Involved Services program (JIS);
4. Mission: Healthy Relationships and Mission: Healthy Families (MHR, MHF); and
5. Veteran Peer Support (VPS) Services
6. Suicide Prevention and Opioid Addiction Prevention Services (SOS)

Through an integrated and responsive system of care, VVFS monitors and coordinates behavioral health, rehabilitative services, and supportive services.

The **Housing Development Team**, within VVFS, provides statewide coordination and leadership for the Commonwealth's continued commitment to functionally ending veteran homelessness.

The **Justice-Involved Veterans** team offers resource connections, care coordination, and support to Virginia's veterans and service members across the justice spectrum, including diversion, incarceration and reentry to the communities. JIS offers direct assistance to veterans and service members of any era, regardless of discharge status. When an active military service members violate both military and civilian laws, the individual can be tried in military court, civilian court or both, but most crimes violate both military and civilian laws, landing the active duty member in civilian court and, hopefully, eligible for the veterans treatment docket and JIS. The program is involved with veterans treatment dockets, in local jails and state prisons, and serving those veterans out on bail, on probation and/or parole supervision. JIS includes a formalized referral process, an electronic mailbox for justice-involved referrals (VVFS Justice mailbox: justice.vvfs@dvs.virginia.gov), and VVFS Veteran Justice Specialists (VJS) in each region to work with justice-involved veterans pre- and post-release.

The **Family Services** team, within VVFS, provides individualized and group support, and wrap-around care services to family members of veterans. VVFS offers "*Mission: Healthy Relationships*" and "*Mission: Healthy Families*" relationship and family resiliency skills building programs.

The **Veteran Peer Support** program is a blend of professional training and personal experience. VPS staff provide veterans support in his/her pursuit of improvements in health, wellness and quality of life, as they relate to behavioral and rehabilitative needs resulting from or exacerbated by military service. Veteran clients are matched with a Veteran Peer Specialist who is like-minded and has similar or familiar military and post-military experiences, to be relatable to the client. The veteran peer support program also facilitates veteran support groups, providing

structure to promote personal growth, self-awareness, coping strategies, and the unique opportunity to interact with other like-minded veterans.
