Virginia Department of Veterans Services

Jones & Cabacoy Veterans Care Center

Operated by the Virginia Department of Veterans Services (DVS), the Jones & Cabacoy Veterans Care Center is proudly named in memory of two military heroes from the Hampton Roads area for their brave and noble service to our Nation: **Colonel William A. Jones III**, U.S. Air Force, Norfolk (1922-1969) and **Staff Sergeant Christopher A. Cabacoy**, U.S. Army, Virginia Beach (1979-2010).

About the Virginia Department of Veterans Services:
The Virginia Department of Veterans Services (DVS) is a state government agency with more than 40 locations across the Commonwealth of Virginia. DVS traces its history to 1928 and the establishment of the Virginia War Service Bureau to assist Virginia's World War I veterans. Today, DVS assists veterans and their families in filing claims for federal veterans benefits; provides veterans and family members with linkages to services including behavioral health, housing, employment, education and other programs. The agency operates four long-term care facilities offering in-patient skilled nursing care, Alzheimer's/memory care, and short-term rehabilitation for veterans; and provides an honored final resting place for veterans and their families at three state veterans cemeteries. It operates the Virginia War Memorial, the Commonwealth's tribute to Virginia's men and women who gave the ultimate sacrifice from World War II to the present.
